

CLIENT:

Founded in 1995 and located in Norwood, MA, **American Holt** (www.americanholt.com) is rapidly becoming the nation's leading independent supplier of high quality generic replacement parts for high volume packaging, processing and converting machinery. Serving Fortune 500 Companies across an array of industries, American Holt (AH) is a full service engineering company focused on the reverse engineering and manufacturing of aftermarket parts. Privately held and with beginnings in the envelope converting industry, AH has, in the past few years, experienced dramatic sales growth, as its reputation for providing quality replacement parts at highly competitive cost savings has grown. American Holt now seeks a **SolidWorks Draftsman** that will report to an Engineering Manager.

RESPONSIBILITIES:

The **SolidWorks Draftsman** will perform 3D solid modeling, surfacing, and make design revisions to existing drawings of weldments, castings, and machined parts utilizing SolidWorks and AutoCad software. S/he will also process ECO's and BOM's as required. Minimum of 4 years experience designing weldments, castings, and machined parts is required. Working knowledge of geometric dimensioning and tolerancing (GD&T). Proficiency with SolidWorks is required. Experience working with machine parts and with metrology equipment a plus.

QUALIFICATIONS:

We seek a bright, entrepreneurially-minded, well organized, mentally nimble mechanical engineering professional. To succeed in this critical role, this individual will need to be:

- a multi-tasker who can quickly change priorities and handle multiple projects simultaneously;
- self-motivated with the willingness to roll up his/her sleeves;
- analytical and able to think through solutions to solve design challenges;
- patient, detail oriented and organized;
- an excellent communicator, both verbal and written;
- someone who has a sense of humor.

A minimum of four years of SolidWorks experience required.

Hiring will be dependent upon successful completion of a background check and drug screening, in accordance with company policies and federal and state guidelines.

COMPENSATION:

Compensation is both competitive and commensurate with experience. American Holt is an equal employment opportunity company.

TO APPLY:

Due to the pace of this search, candidates are encouraged to apply as soon as possible, but no later than May 31, 2010.
